

A visual approach to documenting and analysing co-operative movements

## Principle 5 Announces Formation of Co-opMaps User Forum

Already up and running, the forum is an informal ad-hoc group. Membership is free and open to anyone who is interested in Co-opMaps. Meetings are face-to-face and with Skype connections where desired. Meeting frequency decided by members of the forum

A typical agenda might include:

1. Mini training workshop / Q&A session
2. Review of diagrams in progress
3. Problems/Issues with the Draft Standard
4. Problems/Issues with Co-opMaps software
5. Problems/issues with User Guide
6. Future development

---
